

Dear ADC Employee:

As a public servant, you and I have the opportunity to make Arizona the best place to live, work and raise a family. Last year, Arizona Department of Corrections employees joined together and raised more than \$466,000 for the State Employees Charitable Campaign (SECC). Working tirelessly side-by-side, your generosity and spirit touched thousands of lives.

This year, SECC provides us with another opportunity to live out our spirit. A lot of Arizonans are feeling the impact of the economy and donations are slowing down. That's why a donation, no matter what amount, can help ensure people who need services the most will have access to them.

For this year's campaign, there are many SECC charities that may impact your co-workers, families and friends such as the 100 Club, the CPO Foundation, and Arizona National Guard Emergency Relief Fund. These are just a few of the many charities you can select from when deciding how you would like to make a difference.

Soon, a colleague in ADC, your SECC coordinator, will approach you to ask for a donation. I hope you will. It is important that everyone does. Whether you give a one-time gift or contribute each pay period, you will make a measurable difference.

Thank you in advance for your support of SECC and its goals. I'm convinced that our contributions – **yours and mine** – can make a difference

Sincerely,

Charles L. Ryan
Director
