POSTING NOTIFICATION

ADC recently completed the Request For Proposal (RFP) process for the Inmate commissary contract. ARAMARK Correctional Services was the successful bidder and was awarded the commissary contract on January 14, 2011 for all Institutions and In-State Private Prison Facilities. ARAMARK is committed to providing quality products and service to the inmate population and with the new contract will also provide:

- More brand name products
- MP3 players with music download capabilities
- Kiosks for ordering commissary and checking bank balances

Based on the award of a new contract there will be transition that will require a period of adjustment. We look forward to our partnership with ARAMARK and ask for your patience in the transition period.

ADC's current inmate commissary contract with Keefe commissary will be in place through April 1, 2011. ARAMARK has committed to begin inmate commissary services on April 2, 2011. The Kiosks and MP3 players will become available as each complex is brought on-line at dates to be determined.
